Fresh Start's Mission

Fresh Start Center of Shelbyville and Bedford County, has been called by God to be a refuge for men who have been in jail who want a changed life. We believe this possible only through Jesus Christ. The Bible says that everyone has sinned and come short of His Glory, but that everyone deserves a new beginning where old habits pass away and all things become new. The home stands upon the word of God, as life is very valuable and given by God. We are here to make a difference in the lives and homes of this community.

Fresh Start's Vision

Fresh Start Center's purpose will be carried out by a board of directors, duly elected, using bylaws, rules, regulations, policies, and procedures as guidelines. The program is and will continue being developed using moral and spiritual guidelines which will help to develop character in the individuals accepted into the program that will make them assets, not liabilities, to society.

Our Program

The Women of Grace is a nine to twelve month recovery program provides the ladies a home-like environment while focusing on their relationship with Jesus Christ. During the same time, they are trained in areas such as vocation, work ethic, child-rearing, and financial stewardship.

Our Mission

Our mission is to create and sustain a safe and supportive environment that enables each of the women at WOMEN of GRACE to realize their full potential by building self-respect and confidence as they make the transition to assuming responsibility for their lives. We are committed to guiding and walking with them on a spiritual journey that provides a path of healing, Hope and Harmony, using Biblical truths to build a strong foundation in Jesus Christ, so that each woman can now fulfill God's plan for her by becoming a true "Woman of Grace".
